BACHELOR IN BUSINESS ADMINISTRATION WITH HEALTH ADMINISTRATION (HONOURS)

(N/0414/6/0381) (06/30) (MQA/PA 18233)

PROGRAMME DESCRIPTION

The Bachelor in Business Administration with Health Administration (Honours) at Lincoln University College, provides students with a comprehensive understanding of business principles combined with healthcare management expertise. The program covers areas such as healthcare policies, organisational behaviour, financial management, and strategic planning within the health sector. It equips students with the skills required to manage healthcare organisations effectively, ensuring high-quality patient care and operational efficiency. It focuses on business principles, healthcare policies, and strategic management, preparing graduates for leadership roles in the healthcare sector, ensuring efficient operations and quality patient care.

PROGRAMME AIM

The Bachelor in Business Administration with Health Administration (Honours) aims to equip students with the knowledge and skills needed to manage healthcare organisations effectively. The program aims to produce postgraduates who:

- Possess in-depth and comprehensive theoretical and practical knowledge in business.
- Have comprehensive managerial and entrepreneurial skills to perform effectively and responsibly in different organizations.
- Use a broad range of digital applications and analytical techniques to support business functions.
- Demonstrate teamwork, leadership, interpersonal communication, creativity and innovation skills.
- Commit and seek learning for continuous development.

CAREER OPPORTUNITIES

A Bachelor in Business Administration with Health Administration (Honours) opens diverse career opportunities within the healthcare and business sectors. Graduates are equipped with both business acumen and healthcare management expertise, allowing them to pursue roles in administration, policy-making, and healthcare service management. Some key career opportunities include:

- Healthcare Administrator
- Medical Office Manager
- Public Health Administrator
- Healthcare Finance Manager
- Global Health Administrator
- Healthcare Management Executive
