BACHELOR OF BUSINESS ADMINISTRATION IN AIRLINE AND AIRPORT MANAGEMENT

(R-DL/0414/4/0301) (12/30) (MQA/PA 12061)

PROGRAMME DESCRIPTION

The BBA in Airline and Airport Management program of Lincoln University College, Malaysia (LUC) is designed to train our registered students to assume managerial and administrative roles in the Airline and Airport sector. With the latest expansion of the airlines industry, the number of employees needed for its smooth operation has also increased, for focusing such areas as airport safety and security, technicalities, finances, etc. Skilled professionals are therefore required to serve in the industry. It encompasses of all the aviation-related companies, service providers, airlines, aircraft, public and private crafts flying commercially and non-commercially. The curriculum is devised not only to fulfil the requirements of today's rapid changing Aviation Industry but also to provide our students a strong background in the Airline and Airport Management field as well as business and leadership practices. The career opportunities in the aviation industry are enormous.

**Merunggu Kelulusan akhir daripada KPT.

PROGRAMME AIM

The BBA in Airline and Airport Management program aims to create skilled professionals for the aviation sector and allied fields of management for those with an entrepreneurial turn to acquire the skills to start their own set-up.
