The Diploma in Teaching English as Second Language program of Lincoln University College, Malaysia (LUC) encourages students to reflect on and interpret the relation between theory and practice, to adapt new ideas and strategies to their own contexts, and to test and appraise new teaching techniques in their own classrooms. Students will be trained to solve problems logically and analytically and to think critically for every decision they make so that their decisions lead to making a positive difference in whatever profession they choose after diploma in TESL. The program provides the most current knowledge and emphasizes the skills needed for success in teaching and to pursue an advanced degree.

PROGRAMME AIM
