Bachelor of Nursing (Public Health) (Hons)

(N/0913/6/0009) (08/26) (MQA/PA 9441)

PROGRAMME DESCRIPTION

Our program, BSc (Hons) in Nursing (Public Health) is designed for nurses interested to gain a professional qualification in health visiting, occupational health nursing or school nursing. The program proposes registered nurses a prospect to enhance their knowledge and extend their skills to enhance health. This course is appropriate for qualified nurses with a dedication to prevention and health advancement and evidence-based practice in a civic setting. They are enabled in acquiring their knowledge and competences to enhance the provision of health care, by employing appropriate theory, research, and support, to reflect modern perceptions.

PROGRAMME AIM

The program aims to make sure that students are trained to promote health and social well-being through the accomplishment of the standards of proficiency of dedicated public health nursing. The course also concentrates on understanding and encouraging people in building a healthy lifestyle, as well as enhancing and protecting health in the public and private sectors.

PROGRAM DURATION

Maximum Duration: 48 Months
Minimum Duration: 36-48 Months

CAREER OPPORTUNITIES:

Lincoln University College is committed to support its students in their progression towards a gratifying graduate destination and strive to serve professional assistance with the aim of encouraging its students to achieve their prospective. After completion of this course the students are expected to find jobs and work as:

- **Public Health Practitioner**
- **Health Improvement Practitioner**
- **Data Analyst**
- **Health Campaign Manager**
